Re: Cancellation of the 2009 Annual Election

Dear Robert:

We are writing this letter to inform you that we will be canceling the annual commissioner election for your district. Your district had one position(s) up for re-election. We received no filings for these positions.

Pursuant to MCA § 85-8-302 (2), if the number of candidates is equal to or less than the number of positions to be elected the election administrator may cancel the election in accordance with 13-1-304. The county governing body shall declare elected by acclamation each candidate who filed a nominating petition for a position. If no candidate filed a petition the board of commissioners shall make an appointment to fill the position. A commissioner taking office pursuant to this subsection serves out the term as if the commissioner had been elected.

Since your district had an insufficient number of filings, your board may appoint a commissioner to fill the vacant position. **As soon as possible, please provide our office with the name of the individual(s) you have appointed to fill the vacant position(s) so we can update our records.**

If your district has any questions or concerns regarding the cancellation of this election please contact our office immediately! Thanks for all your assistance this year!

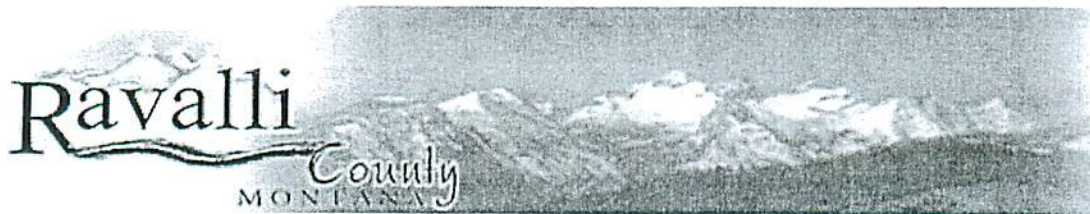

Sincerely,

Regina Plettenberg, Election Administrator
